PRODUCTION INSURANCE DEADLINE

The Business Risk Management Branch (BRMB) of the BC Ministry of Agriculture & Lands has advised that the deadline to apply for 2014 vegetable Production Insurance (PI) is March 31, 2014.

Growers are encouraged to contact a Production Insurance representative to discuss whether your land is insurable for the risks you plan to insure against. This may be critical for insuring crops at field locations that have not been previously insured.

To accommodate in-person access to a PI representative for growers in the Western Fraser Valley the BRMB has arranged to locate Representative Jason Klassen for a one-time, 3-day period in the offices of

BC Fresh Vegetables Inc.

from

Tuesday, March 20 to Thursday, March 22, 2014

BC Fresh is located at 3463 King Street, Delta BC

If you are unable to attend on any of the above-mentioned days you may contact Mr. Klassen, or Mr. Sanjeev Verma, at their Abbotsford office by telephone (604) 556-3071.
