

**BULLETIN: Additional Clarification on Amending Order 1, Agency Order**

On June 27, 2024 we issued a bulletin introducing Amending Order 1 and the Agency Order. Both these documents are posted to our website on the following webpage:

<https://www.bcveg.com/general-order-amending-orders/>

Amending Order 1 repeals a substantial number of provisions from the General Order of May 29, 2024. This was done for two reasons. First, there were a number of provisions in the General Order that were not necessary, or that otherwise addressed matters properly expressed outside the General Order. These were permanently removed from the General Order because the Commission concluded that their continued presence could give rise to interpretational issues. Second, Amending Order 1 repeals most of the provisions in the General Order that relate to Agencies. This was done so that the Agency provisions could be redrafted and expressed with greater precision in the new Agency Order.

It is important that all persons operating in a regulated sector take steps to familiarize themselves with all applicable regulatory requirements. Therefore, I do encourage you to read through the 2024-05-29 BCVMC General Order, Amending Order 1, and the Agency Order in their entirety. These three orders provide you with all applicable regulatory requirements.

In addition to yesterday's introduction of the Agency Order, designated agencies received a letter that provided greater clarification on the reasons. A copy of this document is attached to this bulletin and has been posted to our website.
