Bulletin: BCVMC Annual General Meeting Guest Speaker

The BCVMC is pleased to announce that Dawn Gray will be the guest speaker at our 2026 AGM.

About Dawn Gray:

Dawn Gray is a produce industry expert and consultant specializing in organizational leadership and business development with an emphasis on operations, grower relations, sales and marketing.

Gray has 40 years of industry experience and has worked for some of the top organizations in the world, including The Oppenheimer Group, Turners and Growers - Enza International, BC Hot House Foods Inc., Vanguard International and Sunkist Growers Inc.

Gray's hard work and outside-of-the-box thinking, have earned her the respect of many industry leaders.

Gray has helped companies increase sales, reduce market based and overhead costs and create operational savings.
